HOOSIER KITCHEN CABINETS SIMPLIFY KITCHEN WORK

WHEN YOU were a little girl and you sat down to make mud pies with your tin dishes all around you. You didn't even have to get up to find the mud. What a wise little girl you were.

NOW YOU are making apple pies. Your pans are in the cupboard; your flour in the barrel across the room; your rolling pin on the pantry shelf. You have to take a trip across the room every time you want a pinch of salt.

WHY NOT take a lesson from your mud pie days? Save time and steps with the Hoosier Kitchen Cabinet. Everything at your hand; your materials come to you; you don't have to go to them. If you have forgotten the cinnamon you don't have to hunt for it in a dark cupboard. And when you CLEAN UP, how EASY it is to put things away.

That is the Hoosier way.

The Hoosier Cabinet

THE HOOSIER SPECIAL,

Pennant Flour

There are several reasons why you should use it.

Bread made from Pennant Flour will keep moist one third longer than bread that is made from most other flours; it makes white bread as light as down, it makes more loaves to the barrel and is the

LOWEST PRICED HIGH-GRADE FLOUR

sold in Barre. We positively guarantee every barrel to give satisfaction, or if the cook is not in any way satisfied with this Flour, to have our team call and return the flour to our store and return your money.

What is fairer than this?

Come in and see the bear in our window. The meat will be on sale Wednesday. Try some steak, stew or a boiling piece.
